### IRC Job Announcement

IRC is excited to announce new job opportunities in Miami-Dade County and the Florida Keys! See the flyer below for details on where to submit your information. Please share with anyone who might be interested!

## Job Announcement!

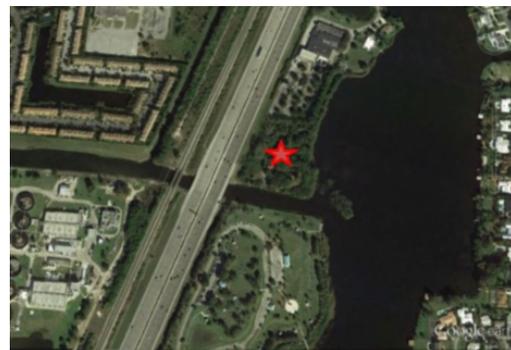

IRC has several exciting new restoration projects in Miami-Dade County and the Florida Keys areas starting within the next few months! We are looking to hire some great part-time and potentially full-time technicians to help on these restoration projects. If you or someone you know is a fan of our work and would like to be involved, please send a copy of your CV, resume, or letter of interest to [admin@regionalconservation.org](mailto:admin@regionalconservation.org)!

Hope to hear from some of you soon!

### Upcoming Volunteer Days at Lake Ida Parcel in Delray Beach

Thanks to a grant from the [Community Foundation for Palm Beach and Martin County](#), we are working with [Delray Beach Parks and Recreation](#) to organize six volunteer days throughout the next year. The volunteer days will focus on restoring the site through removing invasive plants, adding native plants and cleaning up trash throughout the site.

Location of Lake Ida Parcel in Delray Beach.

Volunteers of all ages and backgrounds are welcome at these events! The tentative dates for each volunteer day are listed below, with the first being **Saturday, September 30**.

[September 30, 2017](#) from 9am to noon

[October 21, 2017](#) from 9am to noon

[November 11, 2017](#) from noon to 3pm

[February 24, 2018](#) from 9am to noon

[March 31, 2018](#) from 9am to noon

[May 5, 2018](#) from 9am to noon

To sign up for any of these events, simply send an email with your RSVP to [admin@regionalconservation.org](mailto:admin@regionalconservation.org).

## George Gann Travels to Brazil for SER 2017

IRC's Chief Conservation Strategist, George Gann, is working with the Society for Ecological Restoration Board of Directors, at SER 2017 in Iguassu Falls, Brazil. As Chair of the Science & Policy Committee for SER, he reported on the 2017-2018 work plan, and contributed to SER's strategic planning process.
