

Institute for Regional Conservation

IRC is currently accepting applications for field crew member (field technician) positions for 2021 for our Pine Rockland Initiative (PRI) program.

- Posting Title: Restoration Crew Member (Field Technician)
- Position Type: Full-Time
- Starting Pay Rate: \$10.50/hour
- Location: South Miami-Dade County (Goulds, FL)

About Us

A private non-profit organization, IRC is dedicated to the protection, restoration, and long-term management of biodiversity on a regional basis, and to the prevention of regional extinctions of rare plants, animals and ecosystems.

Our PRI Program consists of restoration projects in Miami-Dade County where we are working on restoring the pine rockland fragments through invasive plant treatment, native hardwood reduction, rare plant monitoring, seed collecting, and other restoration activities.

Responsibilities & Requirements

- Able to use hand tools and mechanical tools such as chainsaws and brush cutters.
- Apply herbicides.
- Some knowledge of south Florida plants (native and non-native) is preferred but not required (must have the ability to learn in the field).
- Have reliable transportation.
- Able to lift at least 50 pounds.
- Okay working in South Florida climate (Hot and humid).

If you're interested or have any further questions, email our Education & Outreach Coordinator Cara Abbott at abbott@regionalconservation.org. Please send her your cover letter and resume if interested.
