Join the East Central and Central Florida CISMAs for our Grass ID Workshop

Free CEUs!

Friday, October 11, 10:00 AM – 4:00 PM
At the University of Central Florida’s Orlando Campus

Topics to include:
- Morning classroom session with overview of the grasses and their look-a-likes, an introduction to grass structures used in identification, & grass taxonomy basics
- Breakout field trip sessions in the afternoon to learn identification skills for both exotic and native grasses! Learn ID skills from grass experts!
- Grass ID quiz and prizes!

*Workshop will be limited to 70 participants and will be filled on a first-come-first-serve basis
*Lunch and refreshments will be provided courtesy of our sponsors!
